The B. D. A has already formed Layout in this Sy. No. and a Scheme of reallotment to the Revenue site holders in this Layout has been in operation from 9th March 1977 and very few revenue site-holders have taken advantage of this scheme for getting the reallotment order from this office by production of their title to the site. Hence, the B. D. A proposes to dispose of all sites under City of Bangalore Improvement (Allotment of Sites) Rules, 1972 in case the revenue site holders fail to come forward and establish their claim to these sites on or before 31st December 1978. In case of revenue sites which are acquired and built up and the title to the land is not established the B.D.A. proposes to auction the structures standing on B. D. A. land together with the site on which it stands. In case the owners of these site fail to establish their claim to the site on which the structure is built upin such cases no compensation or damages will be entertainable by the B. D. A. for failure on the part of the owners of these structures to establish their claim to the said property on or before 31st December 1978.

The last date for preferring all such claims to the B. D. A. is 31st December 1978 and no extension of time will be given for preferring the claims and all belated claims will be straight away rejected. The claim application along with the connected documents like certified copies of Index of lands, Records of Rights, Encumbrance Certificte, copy of the Sale-Deed under which the property is purchased should be submitted to the Office Assistant B. D. A. by designation on or before 31st December 1978 failing which these sites will be disposed off by notifying the same for allotment.
